

DARS (on Page 92): ALLAH ﷻ CREATED THE AMAZING TONGUE

He (my shaykh) said, may Allah be pleased with him.

I am amazed about the tongue. It is a small piece of flesh. You talk with it day and night. Man eats with it things hot and cold, and sweet and bitter, and all of them are different in taste. And the whole world is in this piece (of flesh). It is in it in talk and in it in the food.
