

## **Bismillah ar-Rahman ar-Rahim**

### **DU‘A**

All praise is for Allah, Lord of the worlds, and may the blessings and peace of Allah (Subhānahū wa Ta‘ālā) be for ever and ever more on our Beloved Holy Prophet Muhammad (Sallallahu ‘alayhi wa Sallam).

We thank Allah (Subhānahū wa Ta‘ālā) for giving us the hidaya (guidance) to publish yet another book, Al-Hamdu Lillah. The present compilation is titled: What we learn from the Holy Qur’an about our Beloved Holy Prophet Muhammad (Sallallahu ‘alayhi wa Sallam).

Muslims as well as non-Muslims are very much interested in knowing what the Holy Qur’an says about Prophet Muhammad (may Allah’s blessings and peace be upon him). To fulfill this need, the translation of some selected verses of the Holy Qur’an was originally posted on the Iqra web-site at [www.iqra.net/Quran/verses2.html](http://www.iqra.net/Quran/verses2.html). Since then, more verses have been selected to gain more barakaat (blessings) and the Urdu translation of A‘la Hazrat Imam Ahmad Raza Khan (Rahmatullahi ‘alayh) has been added so that those who know the Urdu language can gain a better understanding and more benefit.

Each Muslim family should have two copies of this book, one for the family so that the hearts of our family members glow with the love of the Prophet (Sallallahu ‘alayhi wa Sallam) and the other to give to a non-Muslim with the du‘a that may Allah fill his/her heart with the nur (light) of Islam, Amin.

May Allah reward Brother Abid Paiker for typing and proof-reading, and for the beautiful lay-out of the book. May Allah reward Brother Ali Ahmad for the excellent design of the cover page. May Allah reward all the brothers and sisters who have helped in one way or another in the production of this book, Amin.

I continue to benefit from the du‘a of my parents, my grandparents, and my Murshid al-Kamil, al-Habib Ahmad Mash-hur bin Taha al-Haddad (Rady Allahu ‘Anhu).

We pray that may Allah engrave His Name in our hearts, and make our foreheads shine with the nur (light) of the love of RasulAllah (Sallallahu ‘alayhi wa Sallam), Amin. May He also fill us with the love of the Ahl al-Bayt, the Sahaba, and the awliya Allah, Amin. May He grant us maghfirah (forgiveness), Amin.

Siddiq Noormuhammad
