

What do you have to show for yourselves?

What do you have to show for yourselves?
they ask

Preservation of our faith and practice as Muslims
we reply
Our joy in practicing Islam
Love for all the Prophets in Islam
The world-wide call to Prayer (adhan) five times a day
The Hajj Pilgrimage
Sufi sages and saints
Contributions to advancements in learning throughout history
A million or more Huffaz of the Qur'an
Modesty with the hijab
Defending ourselves and our lands against non-believing invaders

Yet we are sad as we ponder our predicament
Civil wars
destruction of graves by sectarians
poverty and other weaknesses

What do you have to show for yourselves?
we ask them

Colonizing and exploiting whole continents?
Slavery?
Bloodthirsty crusades?
Bombing Muslim countries to the Stone Age?
Fuelling civil wars in other countries?
The greatest number of weapons of mass destruction?
Gay parades?
Global financial corruption?

So they begin to think seriously
as more of them accept Islam
